**Would like to extend a helping hand to
the **Ukiah Lions** family affected by a
tragic accident**

One of the Ukiah players has passed away and his brother is in critical condition at children's hospital in Oakland after a tragic car accident. Trevor Bartley was killed July 13, 2011 in an automobile accident and his twin brother Jared is in Oakland. Their parents, Jason and Cynthia, are both coaches for the Ukiah Lions youth football and Cheer. Jared and Trevor were Mitey-Mites last year and Jordan, the sister, was a Jr. Midget Cheerleader. We ask that you pray for the family and Jared.

We would like to help the family due to the additional expenses that they are accruing while staying in Oakland to be with their son Jared.

Checks payable or additional donations payable to:

Bartley Family Fund
C/O Savings Bank of Mendocino County
P.O. Box 3600
Ukiah, Ca. 95482

Thank you for your support!
